**SUPPLEMENT TO
REQUEST FOR CONTINUED EXAMINATION
37 C.F.R. §1.114**

Sir:

Continued examination is requested in view of the following remarks.

Remarks

Claims 1-15 and 17-26 are currently pending and are allowed. Claim 16 is cancelled. An amendment under 37 C.F.R. § 1.312 was filed October 17, 2005. Entry of such Rule 312 amendment is requested. The issue and publication fees were paid on October 20, 2005.

Applicant has requested that the captioned application be withdrawn from issuance and examination continued because of new art information which has come to Applicant's attention in connection with Applicant's co-pending U.S. Patent Application Serial Nos. 29/190,249 and 29/190,250. The art information became known to counsel for Applicant after the issue/publication fees in the captioned application were paid.

Applicant requests a refund of the \$700 issue fee and \$300 publication fee authorized for payment on October 20, 2005. Kindly credit Deposit Account No. 10-0270 for the amount of such fees.

An information disclosure statement including the art information from the design applications and additional information provided for completeness accompanies this RCE. Return of the initialed Form 1449 would be appreciated to confirm that such information has been considered.

Regarding U.S. Patent No. D479,146 (Manley) (the "'146 patent"), Applicant's claimed invention is unlike the money clip design shown therein at least because such money clip does not teach or suggest the concept of displaying indicia on one or more panels of a binder clip sleeve as is the case in Applicant's invention (Independent claims 1, 15 and 23 and dependent claim 21), does not teach any self-supporting binder clip sleeve (claims 4, 15), does not teach any particular means of engagement/attachment (claims 5, 7, 11, 17, 19) or materials (claims 6, 8, 9, 18), or means of forming (claims 12, 13) or use of light-transmissive sleeves (claims 14, 22). And, the '146 patent does not teach any method of affixing indicia to a binder clip as in claims 23-26.

Applicant requests that all claims be allowed and that a new Notice of Allowance be issued.

Applicant respectfully submits that issuance of an office action is unnecessary in view of the foregoing remarks. However, if such an office action is issued, then it is submitted that such an action should be a non-final in view of the fact that new art information is being submitted.

The Examiner is invited to call the undersigned if that would be of assistance in resolving any outstanding issue regarding this application. The Commissioner is authorized to charge all fees due in connection with this RCE to Deposit Account No. 10-0270. Kindly notify the undersigned in the event that the deposit account is debited or credited.

Respectfully submitted,
